

ONLINE STORY SUBMISSION HOW-TO

So you've just wrapped up tabling at a farmers market. Or perhaps you've spent some time talking about the campaign at a community gathering. Hopefully, you'll find yourself in possession of these three things:

- PETITION SIGNATURES
- VIDEO TESTIMONIALS
- ENERGY INDEPENDENCE STORIES W/ PHOTOS

So what do you do with them? Send them to the campaign! Here's how:

PETITIONS

That's right. We're going low-tech for these. Once you've collected some petition signatures. Just mail them to:

**Energy Independent Vermont
c/o VPIRG**

**141 Main Street Ste. 6,
Montpelier, VT 05602**

We'll make sure they get delivered to candidates for office!

VIDEOS

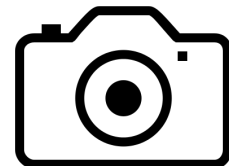

Videos are easy! Chances are you shot them on your phone (in landscape!) When you're ready, email them to

videos@energyindependentvt.org

Include the first name and town of the person interviewed in the subject line. Note that this should work so long as the video is shorter than 30 seconds. If you have questions about larger files — email that same address!

PHOTOS/STORIES

We set up a special page to collect these. Head to:

www.energyindependentvt.org/stories

There you'll be able to enter the person's story, contact info (if you got it) and the accompanying photograph. Also, if you find people who want to enter stories on their own — direct them to this page!
